

THE 12 DAYS OF CHRISTMAS at THE WILD ROSE QUILT SHOP!

We're doing The 12 Days of Christmas in 2 different ways this year, something for everyone!! The first way is the "traditional" way, meaning that we'll have one different thing on special in the shop for the next 12 days. You'll be notified the night before (by email) what the next day's special Christmas item will be.

The other way, one designed to help out those who live further away from the shop and can't come in on a daily basis, is called Stuff My Stocking! We have stockings ready to go and all you have to do is call or email and say 'Stuff My Stocking!' We'll add that day's item to your stocking and keep it here; you can send Santa to pick it up later! (Maybe your Santa will add a little something extra to your stocking...a Wild Rose gift certificate, maybe a sewing machine! No worries, we'll get a bigger stocking!) What a fun way to save some money because all stocking stuffers will be at LEAST 25% off!

If you want the stocking mailed to a friend, please let us know so we can have the stocking ready to ship on Tuesday, December 22.

So get your Stocking filled with the things you want, and let's get started right away! Tonight's first Stocking Stuffer is a package of neutral color (tan, taupe, cream or beige) pre-wound bobbins. Each package contains 12 standard size (L) Superior 100% Egyptian long-staple cotton thread pre-wound bobbins; you'll be thrilled with how long you go between refilling your bobbin thread! Regularly priced at \$10 for 12 bobbins, the First Day of Christmas price is \$7.50!

Now, all you need to do is email or call us and tell us to 'Stuff My Stocking' with as many packages of pre-wound bobbins you want. You have until 9am Saturday to get these babies into a stocking with your name on it!

Friday's In-Store special is: Buy 2 yards of any one fabric and get ½ yard of the same or another fabric free!

HAPPY 12 DAYS OF CHRISTMAS FROM THE WILD ROSE!!
