

THE WILD ROSE QUILT SHOP & RETREAT

LOVELY ORTING, WA

March - May Class Schedule

Tuesday Mar. 2 **Wild Rosies** with Robbie, 10am and 1pm. Join our wacky Block of the Month group; we have fun sharing information and working on a batik strip quilt (a Thangles project: see: www.buckablock.com for a picture of the quilt) \$1 per month if you come to the meeting, \$3 if you miss the meeting and pick up your fabric later. Many in the group are also participating in charity quilt projects; The Wild Rose donates a focus fabric of the group's choice and many Wild Rosies make quilt blocks at home and return them the next month. It's pretty cool. Norma and Connie are heading up this month's charity blocks for Quilts of Valor.

Tuesday Mar. 2 **Jo's Little Women Club** with Lisa, 6:30 – 9pm. This Club uses small quilt patterns designed by Jo Morton, antique/reproduction pattern and fabric designer. Lisa brings a historical overview to Club participants with a suggested reading list and other 1800s period small projects. You can join Jo's Little Women Club for the evening class (1st Tuesday) or the day class (1st Thursday).

Thursday Mar. 4 **Jo's Little Women Club** with Lisa, 10am – 12:30pm. See above info.

Monday Mar. 8 **Strip Club** with Heather. Finish your January and February projects. My goal is to finish my soon-to-be gorgeous quilt tote bag (February project).

Thursday Mar. 11 **Back to Nature** with Sharon, 6:30pm (downstairs in the shop)

Wednesday Mar. 17  **Summer Wheat** with Cynthia Kram, 10am – 2pm Cynthia has created this awesome pattern and piecing technique. We've decided to start with 1 block so you can learn how to work with diamonds, bias and Y seams. If you want to make more blocks to make a quilt, Cynthia will show you how to do that at a future open sew session. For class, we're keeping it simple and manageable with one block! 10am-2pm, \$20 + \$8.50 pattern. Fabric not included.

Thursday Mar. 18 **Intro to Longarm Quilting** with Heather, 9:30 – 11:30am. Learn how to load a Longarm quilt frame, maintenance and simple troubleshooting (avoid the costly service call!) and a Q&A session for your Longarm questions. 9:30-11:30am, \$15. Class notes will be provided to participants.

Thursday Mar. 25 **UFO Club** with Heather, 10am – 4pm. \$10.

Friday Mar. 26 Part 1 of **Jazz Up Your Sewing Room** with Lisa, 6 – 9:30pm. \$20 and pattern provided. Potluck (we'll supply the main course). You'll make a pieced and quilted sewing machine cover tonight.

Saturday March 27 **Earth Batiks** with Karen, 9am – 1pm. Make this gorgeous batik quilt from Timeless Treasures' Tonga Batiks collection. \$90 includes fabric for the top, binding and instruction. You'll also need a Tri-Recs ruler (not included in course fee).

Sunday March 28 **Earth Batiks** with Karen, 10am – 2pm. As above.

Monday March 29 **More Than Just a Table Runner!** with Debi Harney. Not only will you piece this really, really pretty table runner (and learn to use a Tri-Recs ruler), you'll also learn to add a teeny little inner border (like piping) to your binding. Then you machine sew your binding onto your quilt! This is a great technique to learn and to use on bigger quilts when a little "zing" of color near the binding is just what you need. 10am – 2pm, \$30, pattern included.

Tuesday March 30 **Beginning Quilting** with Karen, 9:30am – 1:30pm

Tuesday March 30 **Tuesday Tips & Techniques** with Debi Harney, 6:30 – 8:30pm, \$10.

You can sign up for the Saturday all-day class (\$50; bring your serger, any make and model welcome) and learn the basics of YOUR serger while making different projects in each of the 3 sessions.
