More June Things Going On...New Classes Added & Upcoming Events

 John is leaving today for a week in St. Louis for a *Baby Lock Repairs & Servicing* class. When he gets back, he'll need a little time to set up for Baby Lock sewing machine servicing and repairs. Our plan is to set up a link from our website for Baby Lock customer information (from The Wild Rose Quilt Shop, not the "big" Baby Lock website). You can also e-mail him at babylock@comcast.net The link has not been set up yet, however the Baby Lock e-mail address has been activated and he checks e-mails regularly.

I'm thinking of putting this plate on my car but I'm not sure the Troopers would approve!

Classes Added to the Calendar

- June 26—Hand Appliqué with Melody Shinokis. Some people call it “needle turn,” some call it crazy. But take a look at the shop sample and see what you can do with this skill! It’s beautiful. And portable too! Take your project in the car, take it on vacation. Heck, watch TV and do it. Learn the skill and you’ll be hooked on what hand appliqué can bring to your projects. Thursday June 26 from noon-3pm, \$25.
- July 15—Paper Piecing with Marji Rossman. Marji has picked a very simple wallhanging pattern that can be completed during class. While the pattern is not complicated, you will learn the fundamentals of paper piecing and will be able to transfer those skills to other more difficult patterns. This is definitely the way to start. Tuesday July 15 from 10am – 2pm, \$30. (also offered on Saturday August 9.
- July 22, 34—Quilt As You Go. Several people have asked for a Quilt As You Go class, and Marji Rossman is ready for you! This is the technique that allows you to quilt your work during each step of your quilt, and when you’re done, you’re done. You don’t have to quilt your project because you’ve already stitched the batting and backing to your quilt. TA-DA, it’s done! See the shop sample and learn another way to do some of your quilts. Tuesday and Wednesday July 23-24 from 10am-1pm, \$40.
- July 30 and August 6 (2 days) —Margie’s Tote Bag. Margie has adapted several patterns into her own and a sample will be available soon. I’ve seen her original bag and can’t wait to see the modifications she’s making for the class sample. You’ll love this bag! Wednesday July 30 and Wednesday August 6 from 9:30am – 1pm, \$45
- August 2—Beginning Machine Quilting (back by popular demand!!) Melody Shinokis is offering her awesome machine quilting class. Melody will help take the fear of doing your own quilting away AND by using your own machine! We’re doing this one on a Saturday for your “I work during the week” ladies. Saturday August 2 from 10am – 2pm, \$35.
- Oh look, another Saturday class! August 9—Paper Piecing with Marji Rossman. See above (July 15 for description). Saturday August 9, 10am – 2pm, \$30
- August 23—Free Motion Quilting (and yes, it’s yet another Saturday class)! Melody Shinokis brings her absolutely “you can do this” class to you. You will also learn to stipple. If you haven’t taken one of Melody’s classes yet, you’re in for a treat. You CAN free motion on your home sewing machine. Saturday August 23 from 10am – 2pm, \$35.
- September 11—Fall Table Runner in wool. I’m excited to see the sample, I’m told it’s gorgeous. More details to follow. Thursday September 11, noon – 3pm. Fee TBA.

(The reason I joke about Saturday classes is because we have so many Retreats on weekends that we can’t usually schedule classes on Saturday or Sunday. This year, our August retreat schedule does allow us to hold some weekend classes for those of you who can’t come during the week!)

Welcome ASG members.....

AND DON'T FORGET:

- Angela's Apple Sampler—Starts Thursday June 26 and runs for 9 weeks (no class July 3) on Thursday evenings from 6:30-8:30pm. This quilt is a show stopper and Angela assures me that it's really a simple quilt. Simple and delicious. \$120 for 18 hours of instruction.

Check out www.benartex.com for a look at the 12 Days of Christmas collection by Nancy Halvorsen. Click on the link then click on the "New Collections" tab. The 12 Days of Christmas is the first group of fabrics you'll see. There is also a panel that we have pre-cut for you...it goes with all the other fabrics and will be gorgeous with the coordinating border fabrics.

The rest of the Moda collection 'Birchwood Lane' is here. We have 11 bolts of the yummiest fabrics and charm packs as well. 'Birchwood Lane' also has a panel with it....done in green and dark tan (it looks like suede). The blocks in the panel have a cardinal, pine boughs, holly and a chickadee, each in a separate block. http://www.unitednotions.com/un_main.nsf/mf_new Near the bottom of that page, (in the 'available in May' section), click on the cream colored dot to see the swatch page.

<http://www.ttfabrics.com/cgi-bin/fabricshop/gallery.cgi> This is a Timeless Treasures collection called 'Amelia.' Fun and funky, this has great contemporary colors and pattern. The focus fabric of the 'Amelia' collection:

The 12 ½ pound Baby Lock Xscape. So named for how portable this machine is. Escape (to class or Retreat) with your Xscape!

Please remind your friends that while we are not participating formally in the 2008 Shop Hop, The Wild Rose Quilt Shop & Retreat is open with extended hours (9am – 7pm, June 18-22). We are giving away a Baby Lock Xscape sewing machine and our party will include lemonade, lemon treats and lots of fun.

We've got lots of classes coming up this summer and the PIGS Retreat on July 18-20 will be a hoot!

Stop by and see us in Orting.....where the sun ALWAYS shines!
