

# HAPPY SEPTEMBER FROM THE WILD ROSE QUILT SHOP & RETREAT!

Oh my gosh, there is a LOT of stuff going on these days! We have tons of new fabrics, books and patterns arriving daily. Kits are being cut. Newton is here!! <http://www.clothworkstextiles.com/collection.asp?ID=120> You will see that several fabrics are sold out, but we have the whole collection! "Outdoorsy" flannels are here and Jaci has the Maple Leaf Hill collection to make a darling fall quilt or wall hanging that's all ready to go in a \$40 kit for you. →

Ready, set, go... It's TEA TIME! That's right, on November 1, we're starting another embroidery Block of the Month Club! TEA TIME is much less complicated than Winter Wonderland and is a 12 month project. We have some great blue and white fabrics (with tea pots and cups) ordered for this one. The sign up cost is \$20 and \$4 per month for the next 11 months. Please reserve your spot now and don't miss out on TEA TIME!! ↓

The muslin, blue embroidery floss, pattern and sashing fabrics are included in the Club fees. The outer border and backing fabric will be available for purchase and you will have several choices. The quilt measures 38" x 42".

And guess what else it's time for? **THIMBLEBERRIES 2009 CLUB!** You can go to this website to preview the quilt. This year, there are THREE colorways that are being offered; light, bright and traditional. Seems Ms. Jensen is listening to the customers!! Right now, we have one charm pack from each of the colorways so you can decide which one is for you. Like this year, the sign up fee is \$20 and \$20 per month for 12 months. Sharon will host a Tuesday morning meeting (the first Tuesday of the month at 10am) and a Thursday evening (the first Thursday of each month at 6:30pm). It's a great way to meet new people, share tips and ideas, win prizes and hang out at the coolest quilt shop in the universe ☺. OK, ok, see <http://www.thimbleberries.com/pages?id=139&nav=8> for 2009 Club information. We are taking registrations now for our January 2009 start.

We have opened another session for Pat Tackett's Prairie Point Christmas Tree (this Saturday's class is closed). The class is Tuesday October 7 AND October 14 (two nights) from 6:30-9pm. \$25 includes the pattern.

This wall hanging measures approximately 28" x 40"

Don't forget Angela's Bunny Appliqué on SATURDAY September 27 from 10am - 4pm. This little bunny looks like he's going on a walk-about. Learn easy appliqué techniques with Angela and go home with a wall hanging that will always make you smile. He measures about 30" x 38". \$40 includes the book.
